

## Overview of Research Achievement Presentation

### 1. Purpose

The Research Achievement Presentation aims to widely share the outcomes obtained through research activities, promote academic exchange, and enhance the overall quality of research.

### 2. Presenters

KMITL Laboratory Training Program Students (19 presenters)

### 3. Presentation Content

Presentations should include research outcomes that fall under the following categories:

- Academic research achievements
- Survey, experimental, and analytical results
- Practical research outcomes and examples of social implementation

*\*Presentations including unpublished results are highly encouraged.*

### 4. Date, Time, and Venue

Date: Thursday, June 25, 2026

Time: 13:00~15:15

Venue: Nexus Hall, 2nd Floor, Building 17, Shonan Campus, Tokai University

### 5. Presentation Format

- Poster Session: Presenters will stand in front of their posters and provide explanations to participants.
- Poster Preparation:
  - Poster size A0 (portrait orientation)
  - The presentation title and presenter names must be clearly indicated on the poster.
  - Poster printing will be arranged by the Office of the Chancellor (Global Initiatives).
  - Please submit the poster data by the designated deadline.
- Presentation Time

Presenters will be divided into Group A (first half) and Group B (second half).  
Each poster session will be 45 minutes, including discussion and Q&A.

| Group                                 | 1-Minute Introduction | Poster Session | Poster Removal |
|---------------------------------------|-----------------------|----------------|----------------|
| Group A (First Half)<br>10 presenters | 13:00～13:15           | 13:15～14:00    | 14:00～14:15    |
| Group B (Second Half)<br>9 presenters | 14:15～14:30           | 14:30～15:15    | 15:45～15:55    |

- Please stand by your assigned poster panel and complete your poster session preparation before the starting time.
- Following the instructions of the moderator, each presenter will give a brief introduction of approximately one minute in turn.
- After all presenters have completed their introductions, the 45-minute poster session will begin. Presenters should remain at their posters and respond to questions and discussions during the session.
- The use of supplementary materials in addition to the poster is permitted
- After the poster session, please remove and take your poster with you.
- Language: English or Japanese
